CITY BARBEQUE IN CENTERVILLE SET TO REOPEN AFTER FIRE

(CENTERVILLE, OH) – City Barbeque, 5 E. Franklin Street in Centerville, has reopened its doors following several months of rebuilding from damages sustained in a fire last August.

“We worked as fast as we could to put the building back together,” said Monti Tarmey, City Barbeque Operations Director. “The City of Centerville has been extremely helpful and cooperative in our efforts to reopen.”

To recognize the efforts of the Washington Township Fire Department, Centerville Police Department and City of Centerville, City Barbeque will host a private VIP event to thank all those who assisted in battling the fire as well as those City employees who played a pivotal role to get the restaurant back open.

City Barbeque Centerville employees were misplaced after the fire but remained on payroll by working at other company restaurants and volunteering their time with community service.

“We welcome the residents of Centerville and surrounding communities to come back to the restaurant. We’ve really missed them and want to get back to serving barbeque,” Tarmey added.

Restaurant hours are: Mon – Sat 10:30am - 10pm and Sun 10:30am - 9pm. The restaurant phone number is (937) 312-1350. Visit citybbq.com for more information.
